

Technical Data Sheet

Company Name: AARTI SURFACTANTS LIMITED

Document Type: MATERIAL SAFETY DATA SHEET

Product Name: SULFOCAT BK 80

Date: 01.05.2023

Version: 02

Product Identifier: SULFOCAT BK80

Chemical Name: Alkyl benzyl dimethyl ammonium Chloride

Product Use: This is cationic surfactant. Used as broad spectrum biocide, germicidal, disinfectant in Industrial water treatment

Supplier Name: AARTI SURFACTANTS LIMITED

Supplier Address: SURVEY NO-193, Khanvel - Udhwa Road, Village - Kherdi, SILVASSA, PIN-4396230 (U.T. Of Dadra & Nagar Haveli, INDIA)

Telephone Number: +91 - 9909994653, 9727750021

Emergency Telephone Number: +91 - 9727750021

Regulation Ec 1272 2008: Acute toxicity, Oral (Category 4), H302; Skin corrosion (Category 1B), H314; Acute aquatic toxicity (Category 1), H400

Directive 67 548 Eec: C Corrosive R34; Xn Harmful R21/22; N Dangerous for the Environment R50

Substance Name Clp: Alkylbenzyltrimethylammonium chloride

Signal Word: Danger

Hazard Statements: H302 Harmful if swallowed. H314 Causes severe skin burns and eye damage. H400 Very toxic to aquatic life.
